DTAED; 18TH FEBRUARY, 2005.

P.C.

1. By this petition, the permission conditional in relation to grant is challenged. The contention is there cannot be a permanent no grant basis. The Government Resolution provides for no grant permission with a scaled grant being given after certain period. That being the rule, permanent no grant basis is a wrong endorsement. Basically there is no right to any institution to claim grant for running school. In the absence

of such right statutory in nature merely because the condition is permanent no grant basis, no interference is called for.

Petition accordingly dismissed.
